All local school district regulations regarding COVID-19 protocols will be followed. At this time*, this will include the following:

- Masks or cloth face coverings that cover the nose and mouth must be worn at all times while inside the building by all participants, coaches, volunteers, and other persons over 2 years of age.
- Participants should maintain physical distance of 6' wherever possible. Markings will be provided in seating areas and in high-congestion areas.
- Sanitation stations will be placed throughout the venue. Attendees are encouraged to make frequent use of these.
- Total attendance will be limited. Spectators will not be allowed, and team will be limited to essential student members and up to two coaches, only.
- Any person or team who has been exposed within the 14 days prior to the event to a person who has tested positive for COVID-19 is asked to stay home.
- Only essential team members and up to two coaches will be allowed in the field or pit areas.
- Team tables will not be shared and will be spaced a minimum of 8' apart
- Only members of the field reset team will be allowed to handle the field and field elements, except for specially marked pre-loads/match loads, which will be disinfected between matches.
- There will be no queuing tables. This means that teams must take extra care to keep track of when their matches are and arrive at the field on time. Once a match is completed and the score finalized, participants will be expected to return to the pit area.
- No practice field will be available.
- Teams may choose to submit a digital Engineering Notebook if preferred. Physical Engineering Notebooks must be placed in a sealed plastic bag for at least 24 hours prior to the event and submitted in the bag.
- Participants are encouraged to stay with their own teams. There should be no handshakes, high fives, or other unnecessary touching.
- There will be no concessions offered at this tournament.

* These protocols are tentative and may change at any time if guidelines or conditions change. Any changes will be updated here and/or will be send out to registrants via email.

Message from REC Foundation:

All approved events and event attendees are required to follow all local, state, federal, or any other government ordinances regarding COVID-19 safety procedures, social distancing, and best hygiene practices. Event hosts should continually assess, based on current government guidelines, whether to postpone, cancel, or significantly reduce the number of attendees when necessary.
