

Participant Release Form

For VEX® Robotics Competition Event

Process

All team participants (players, coaches, and mentors) must complete the linked Participant Release Form as instructed on the form. The form will be applied automatically to every official REC Foundation event the team registers for during the current season.

This only needs to be done once each season for each participant and each team. Each time a team registers for an event, the consent forms previously uploaded for that team will be applied to the new event registration.

Submission Instructions

Share the consent form URL link with parents/guardians, and they can complete an online form for each student. www.robotevents.com/consent

NOTE: You will need to provide the **EXACT team number** associated with the student and the type of program. (i.e. 1234A)
