**Making the Future Together**

## **Foundation for Community Driven Innovation Non-Discrimination and Code of Conduct**

---

The Foundation for Community Driven Innovation (FCDI) is committed to fostering, cultivating, and preserving a culture of professionalism, diversity and inclusion in all our programs. We embrace and encourage differences in race, color, creed, religion, sex, national origin, disability, age, sexual orientation, gender identity, income or any other characteristics that make our program participants unique. All our programs are guided by the FCDI Code of Conduct, by which all participants, from adults to students, as well as volunteers, subcontractors, staff and guests, are expected to abide.

### **FCDI Code of Conduct**

Anyone associated with any FCDI subsidiary, event or program is expected to generally just be nice to one another, to program mentors and volunteers, to visitors and guests and to anyone you encounter while enrolled in or participating in any of our events and programs.

Specifically, that means:

- Behave in a mature and respectful way that emphasizes the value of others and respects individuals and the community.
- Ensure the safety of all participants by following established protocols at all our events and programs.
- Refrain from any acts of bullying, harassment, profane or insulting language, or any form of actual, threatened, or implied violence.
- Report any unsafe or threatening conduct to organizers or other relevant program supervisors.
- Anyone in violation of our Code of Conduct may be asked to leave an event or program.
