

Q&A

VGOC 2021-2022

Welcome to the official VEX GO Challenge Question & Answer system, where all registered teams have the opportunity to ask for official rules interpretations and clarifications. This Q&A system is the only source for official VGOC rules clarifications. Please review the [Q&A Usage Guidelines](#) before posting.

- For questions that are not related to game rules, please contact support@roboticseducation.org.
 - For VEX technical support, contact support@vex.com or sales@vex.com.
-

This is the first question in the Q&A for VGOC!

This is a test.
