

**TSA REGION ONE
VEX Robotics Challenge 2021
Conducted via Online Submission of
Pre-recorded Video(s)**

June 12th, 2021

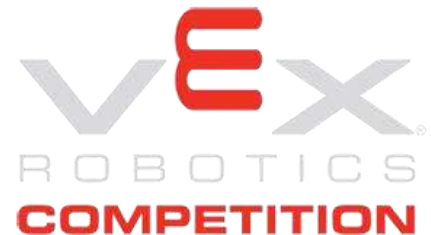

\$5.00 Processing Fee per Robot, is payable to Robot Events, upon registration.

***No RGV TSA Registration Fee**

* Submission: Chapter advisors are to submit a pre-recorded video of each robot completing the autonomous round followed by the skills challenge for the VEX game, Change-Up. Videos are to be converted in a YouTube video and submitted through a URL link or as an MP4 file. All participants safety googles at all times. Facial mask and social distancing are highly encouraged. Safety has to be the primary objective. Video should run non-stop and be uninterrupted. It must include robot and team inspection with a clear view of the inspection form. Robots are to compete in 3 separate events and all three events scores will be totaled, in order to determine the winner. All submissions will be made to the RGV TSA Google Classroom. Class code will be emailed to advisor upon their registration.

- 10:00 am Welcome Address & Drivers Meeting (through Google Meet)**
- 10:30 am Submission Window opens***
- 1:00 pm Submission Window closes**
- 3:30 pm Submissions are verified and winners announced via post on RGV TSA Google Classroom**

For further information, please email: Ms. Dora Lopez at delopez@bisd.us

Charges will be incurred through RobotEvents.com for this competition and the \$5.00 per robot processing fee is payable, via credit card or debit card to RobotEvents upon registration. Do not mail check, as time is of the essence.
